

## From MBA USA

**A newsletter for GSA Certified Safe and Vault Technicians and GSA Approved Inspectors.**

---

This email newsletter is being sent to you because you have attended one of the GSA container and vault door training courses at MBA USA.

It will be sent infrequently as noteworthy information needs to be passed on to GSA Technicians and Inspectors. I do not plan to fill your inbox with a lot of unnecessary junk.

This newsletter will be sent to a different list than the weekly email our sales division sends out. If you are on both lists and unsubscribe from one of them, the email service we use will unsubscribe you from all of our emails.

If you would prefer to have this newsletter sent to a different email address, you may change it by clicking on the 'Preferences' link at the bottom of this page. However, This will also change the address our sales email is sent to. If you want to be on both lists, but with different email addresses, contact me and I can assist you in sorting that out. If you know someone who would like to be added to this newsletter, feel free to forward it to them

and they can request to be added by sending an email to [education@mbausa.com](mailto:education@mbausa.com).

This preliminary newsletter is just to get things started. I plan to send a newsletter next week regarding some significant changes that you may or may not have heard about.

Regards,

**Andy Dennison, CMST, CML**
