#### **NEW QUALIFIED PRODUCTS LIST (QPL) FOR AA-F-358**

QPL-AA-F-358-19 was released July 18, 2019. It supersedes QPL-AA-F-358-18, which was released last December.

The new QPL adds a Class 6-S GSA container for the new manufacturer, American Made Safe and Security.

The new QPL also has a slightly different format. Each class of container has a highlighted header. This is probably because there are so many

manufacturers and models now, the list of current products is getting rather long.

You can download a copy of the new QPL by clicking on one of the links below.
