

From MBA USA

A newsletter for GSA Certified Safe and Vault Technicians and GSA Approved Inspectors.

This email newsletter is being sent to you because you have attended one of the GSA training courses at MBA USA or have requested to be added as a recipient. It will be sent infrequently as noteworthy information needs to be passed on. If you would prefer to have this newsletter sent to a different email address, click on the 'Preferences' link at the bottom of this page.

Comments and opinions are solely that of the writer and are not intended to represent the General Services Administration or the US Government.

NEW QUALIFIED PRODUCTS LIST (QPL) FOR AA-F-358

NEW GSA MANUFACTURER ADDED

QPL-AA-F-358-18 was released December 17, 2018. It supersedes QPL-AA-F-358-17 which was released only 4 months before.

The new QPL adds a new GSA container manufacturer, *American Made Safe and Security, L.L.C.* This new company is located in Batavia, OH and has been a mystery to me for some time. Last spring I was told there was a

new manufacturer, their name and a little information about them. But trying to verify this and get more information about them has turned up very little. Up until now, that is.

Their website, usa-amss.com, has been "Under Construction" since at least last June when I found it, so I'll keep my eye out for any changes and hopefully get a look at what they will be offering soon.

You can download a copy of the new QPL by clicking on one of the links below.

Regards,

Andy Dennison, CMST, CML
